

Pau 26, Villamartin, 03189, COSTA BLANCA SOUTH, Orihuela Costa

This new modern villa is finished to a high standard. It comes complete with private pool and off road parking. Also views to the sea. Situated near many golf courses and only a short drive from both beaches and La Zenia boulevard, these new villas have great potential for an investment or a family home in Spain. The builder strives for perfection and only uses top quality materials throughout the building process. There is a pre-installation for A.C in the living room and bedrooms. A separate laundry room leads out the back of the kitchen.
